The result is well-thought-out kitchen systems for kitchens with clear concepts, aesthetic shapes and useful functions. An irresistible setting for cooking, living and enjoying.

PHILOSOPHY

Passion - We believe the most important prerequisite for designing a high-quality living space. We develop demanding kitchen solutions with a hint of sensuality plus a fine note of unique design. To do so we use only the best ingredients: the most precious materials innovative technology and ingenious details.

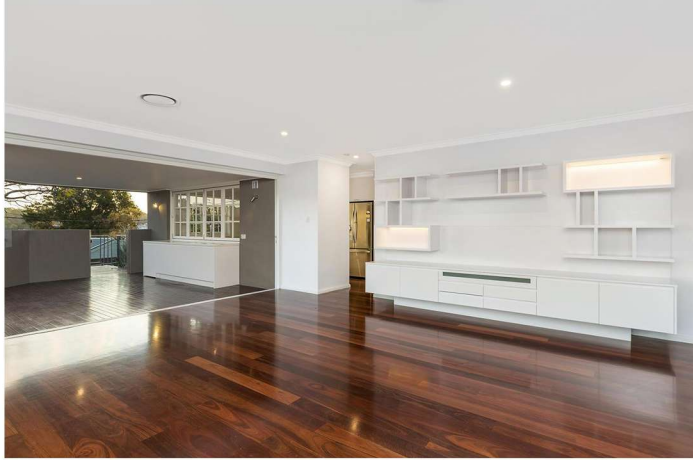

CAREFULLY CRAFTED BEAUTIFULLY CONCEALED

Behind the stunning exteriors of each of our designs is a host of smart storage solutions to utilise every inch of your space. From pull down shelving to pull out worktops, our range of innovations ensure that your kitchen is as practical and user friendly as possible.

THE HIGHEST ATTENTION TO DETAIL

The Emporium Kitchens difference lies in our commitment to exceptional quality & commitment to work with you to combine your ideas & our expertise in creating a spectacular kitchen just for you.

With over 35 years of experience, we have established ourselves as one of the leading kitchen renovations and custom cabinetry companies serving Sydney. We offer a wide range of quality cabinetry solutions for every room in your home including kitchen cabinetry, bathroom cabinetry, laundry cabinetry walk-in wardrobes and custom cabinetry.

We only use and recommend the best hardware and materials for our kitchen renovations from Australia's favourite manufacturers including Blum Hardware, Corian, Caesarstone and Quantum Quartz.

At Emporium Kitchens, premium quality materials, your ideas and our fine craftsmanship come together to create the kitchen and laundry of your dreams. No matter what style you're after, we have an array of superior finishes right from the modern, streamlined high gloss to the classic timbers, and everything in between to accomplish and improve your home's aesthetics.
